

**REMARKS**

Claims 1-20 are pending in this application. Claims 9-20 stand rejected. Dependent claims 2-8, 10-12, and 16-20 are cancelled, and independent claims 1, 9, and 15 are amended. New dependent claims 21-42 are added. All of the amendments and new claims are supported by the specification and no new matter is added.

Examiner has rejected claim 9 under 35 USC 112, second paragraph, stating that the claim is indefinite in respect to the phrase "the requested medical test." Applicant respectfully asserts that the meaning of the phrase would clearly be understood to refer to the test recited in the 3<sup>rd</sup> and 4<sup>th</sup> lines of the claim. Applicant has amended to remove the word "requested" simply to clarify that point but believe the meaning is clear in either case.

Examiner has rejected claim 15 under the same provision, stating that the claim is indefinite in respect to the reference to "the profile." Applicant has amended the claim for clarity.

Applicant notes the Examiner's double patenting rejection. If the Examiner maintains the need for a terminal disclaimer after review of the above listed claims, Applicant will submit the same. Applicant submits that the claims set forth above are in condition for allowance. Early and favorable reconsideration is respectfully solicited. The Examiner may address any questions raised by this submission to the undersigned at 617-951-7000 (Direct dial: (617) 951-7085).

Applicant believes no fee is due with this response other than as reflected on the enclosed Amendment Transmittal. However, if a fee is due, please charge our Deposit Account No. 18-1945, under Order No. FGTI-P02-004 from which the undersigned is authorized to draw.
